Complete Theme Title:

The completed application should include the following:

- I. Statement of Need
- II. Statement of Objectives
- III. Narrative Description of the Theme – this should be a succinct description of the topic for potential use in the Call for Papers
- IV. Qualification of Proposed Guest Editor
- V. List of three Proposed Reviewers (document expertise for the them)
- VI. Supplementary Information (as appropriate)

Information – *Kappa Omicron Nu FORUM* is a refereed publication and official journal of Kappa Omicron Nu Honor society. Because members fund the publication, *Kappa Omicron Nu FORUM* gives first preference, quality being equal, to members of Kappa Omicron Nu. Guest editors, members or nonmembers, will be selected through competitive application and serve under the direction of Dr. Dorothy I. Mitstifer, Editor. Decisions about acceptance of manuscripts for publication are a joint decision by Editor and Guest Editor.

The proposal will be judged by the following criteria:

- I. Clarity of description
- II. Potential for impact on the profession
- III. Congruity of description and objectives
- IV. Substantive focus on integrative/holistic perspectives, professional concerns, or philosophical issues

Submit proposals to the above address.
