Application for Kappa Omicron Nu Marjorie M. Brown Fellowship Program
For the Design and Implementation of a Graduate Course in Critical Science Research

The application shall be limited to 10 pages, excluding supplementary materials (for readability, use type size not less than 11 pt. and normal spacing), and shall include the following:

- I. Abstract – 100 words or less
- II. Situational factors – include context of the teaching/learning situation, nature of the subject, projected characteristics of learners and prior knowledge, the special challenge, expectations of students/institution/society, fit in the curricular context
- III. Learning goals
- IV. Teaching/learning activities, focusing on active learning, reflection, writing, and research proposals
- V. Feedback and assessment procedures
- VI. Grading system
- VII. Evaluation of course and teaching effectiveness
- VIII. Supplementary materials – course syllabus, curriculum vitae, and references.

The application form and all supporting documents shall be filed electronically (Word or rtf format preferred) on or before January 15 to info@kon.org. Recipients will be notified on or before March 15.
